SHRI SHARDA BHAVAN EDUCATION SOCIETY'S

INDIRA GANDHI (SR.) COLLEGE, CIDCO, NANDED

Women's Counsellor Cell (2021-22)

Shri Sharda Bhavan Education Society's 'Indira Gandhi Sr. College, Nanded' had organized a guest lecture on 08/01/2022 at 11.00 a.m. The guest lecture was organized by "Women's Counsellor Cell" jointly with "Anti-Sexual Harassment Cell" on the topic "**Empowering Girls for a bigger tomorrow**". The Chief Guest and speaker for the programme was **Dr. Pratima Bandewar Madam, Narayanrao Chavan Law College, Nanded**. The Principal of the college **Dr. R.P. Mali** Sir presided over the function.

The programme started with the worship of the portrait of Gyanmata Savitribai Phule by offering garland and flowers, remembering her vision due to which girls have got an opportunity to educate themselves and establish their identity in different fields. Then followed welcome song sung by Ku. Vaishali Ghuge, student of B.A. III.

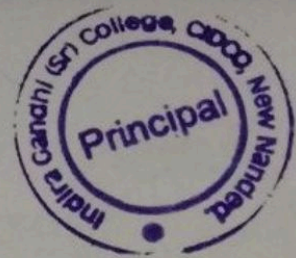

This was then followed by felicitation of the guests. The President of the function Dr. R. P. Mali Sir was welcomed and felicitated by the co-ordinator of the committee Mrs. Rathod B.A. by offering a bouquet. Then the guest Dr. Pratima

Bandewar madam was welcomed and felicitated by Dr. R. P. Mali Sir by offering a shawl and bouquet.

Mrs. Rathod B. A. in her foreword speech gave information about the functioning and working of 'Women's Counsellor Cell' as well as 'Anti-Sexual Harassment Cell'. She gave introduction about these two committees that were formed for women employees and girl students of the college. The 'Women's Counsellor Cell' works for the development and welfare of the women employees as well as girls of the college.

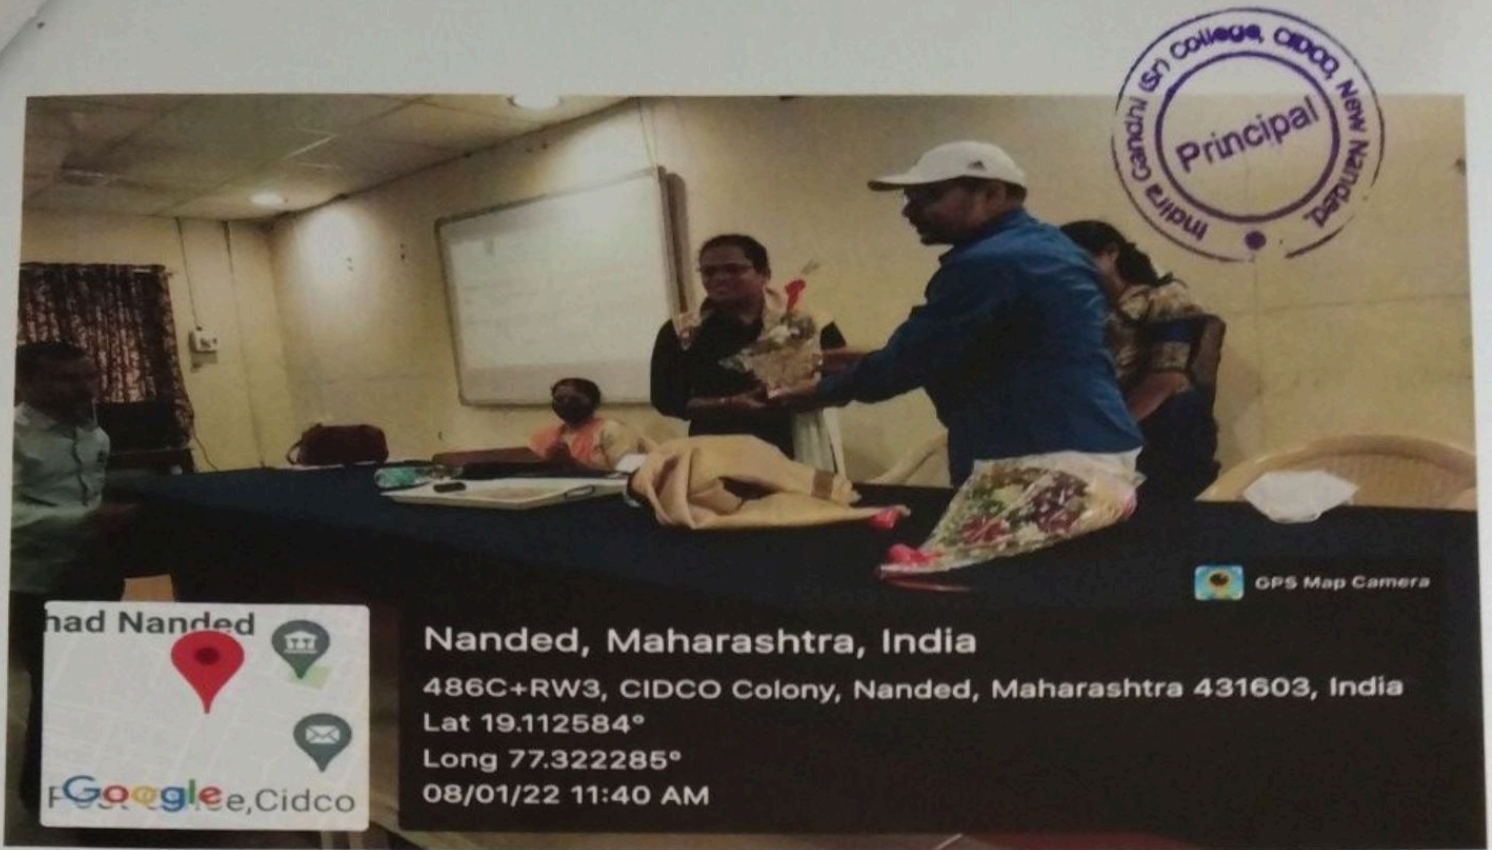

This was then followed by the Presidential note that was delivered by Dr. R. P. Mali Sir in which he said that the progress of a nation is manifested from the progress of the women natives there, as rightly quoted by Dr. B. R. Ambedkar. Women are now-a-days progressing in various fields proving themselves and their abilities. The guest Dr. Pratima Bandewar Madam in her speech said that, the literal meaning of "empowerment" is to grant power, to realize the inner power within oneself, to recognize one's capacity and capabilities and act accordingly. Power does not only refers to physical power but one should also strengthen one's mental power and emotional power. Along with IQ, EQ also has become very important. One should be socially, politically, educationally, pshysologically empowered. Instead of thinking emotionally, one should have practical approach to life. To become empowered, one should have realization of their rights – right

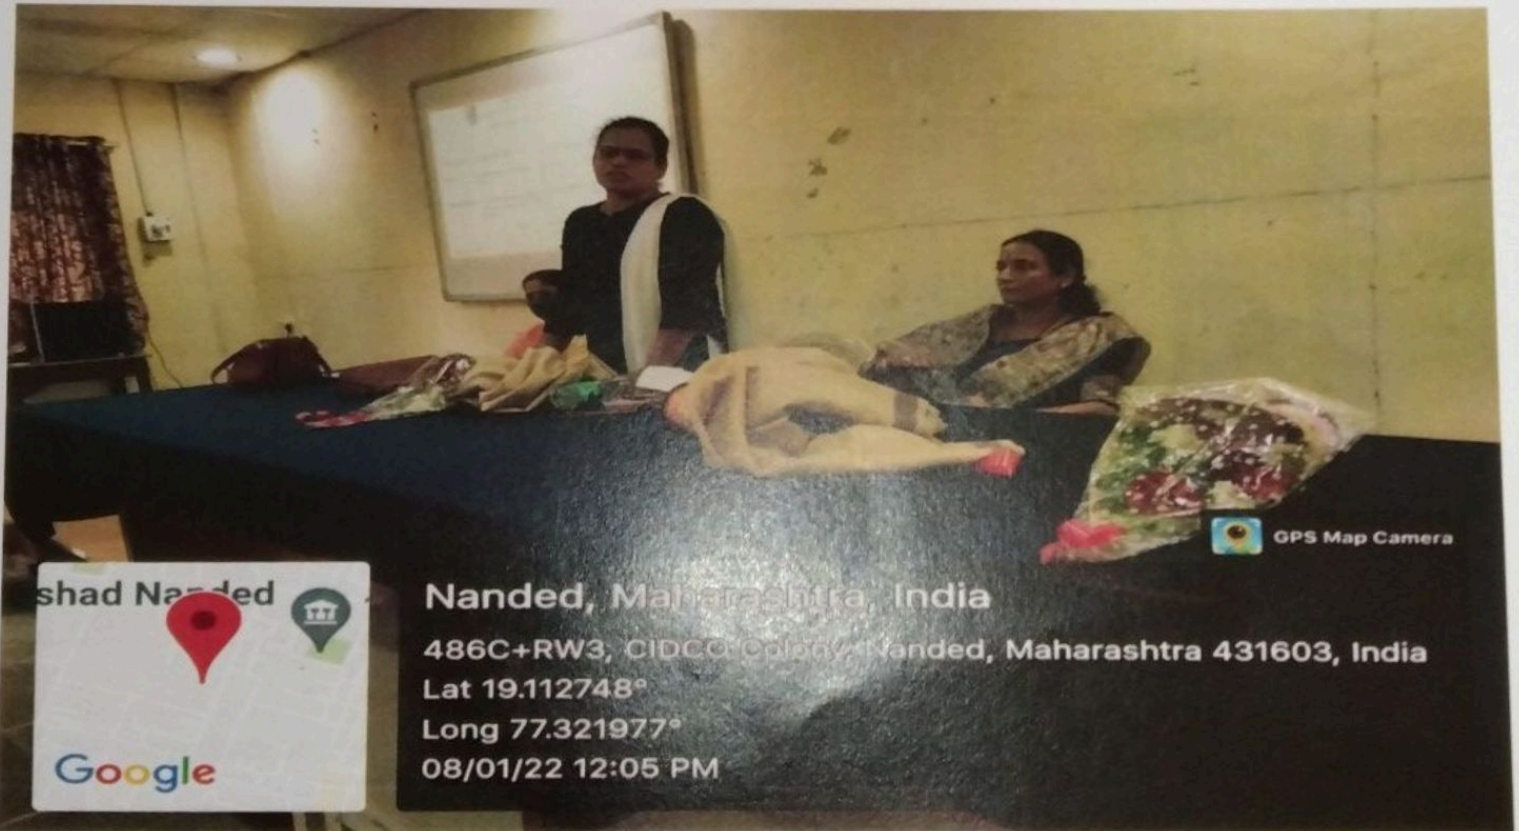

to education , social rights , human rights , political rights , rights in married life , rights at your workplace. The coming generation should inculcate qualities such as patience, evaluating self decision making , attitude and liability and the most important thing i.e. power to say 'no' , no to everything that is distracting you from your goal. The technology should be used for educational and constructional purpose , there is no need to upload or share personal information and photos on social networking sites like Facebook and Whats app. This only gives way to cyber crime. The example of Mary Kom tells us that one always has the capability to bring about a change , you should be able to analyze yourself and your abilities .

The staff members and the students present interacted very well with the guests , actively participated in the discussion and also expressed their views. Total 84 girl students were present for the programme.

Lastly , the Vote of Thanks was given by Dr. Poonam Sharma Madam . The anchoring for the programme was done by Ku. Sanika Dhawade . The programme was organized by co-ordinator of the committee and H.O.D. of Department of Physics Mrs. Rathod B. A. Other staff members like Gubre madam , Hambarde Madam , Sharma Madam , Adkine Madam , Kakde Madam Kamble Madam also took efforts for the successful organization of the event and co-operated well.
