1. Preamble

There is a need to exchange new technologies and information in higher education. Therefore, it helps in improving the teaching methods, research work and quality of students in higher education. In order to brighten the future of the students and for sustainable development, it is necessary to have a Memorandum of Understanding (MoU) for implementation of various academic and research activities in various universities, colleges and other educational institutions providing higher education. With this in mind, we are signing a Memorandum of Understanding between Indira Gandhi Senior College, CIDCO Nanded and Mahatma Gandhi Mahavidyalaya, Ahmedpur, Dist. Latur for the exchange of educational and research activities.

Indira Gandhi (Sr.) College, CIDCO, Nanded:

Shri Sharda Bhavan Education Society (SSBES) was established in 1952 with an educational vision to "Dispel darkness of illiteracy from lives of the poor". The founder President of SSBES Late Dr. Shankarraoji Chavan, former Hon. Minister, Government of India, established first educational institute in 1952 and then onwards there was no looking back of the society and at present running a number of schools and colleges in both rural and urban areas. The SSBES known for its academic quality and Govt. of Maharashtra awarded 'Dalit Mitra Puraskar' in the Year 2000-2001 and Rajya Puraskar in 2009.

Shri Sharda Bhavan Education society's Indira Gandhi (Sr.) College, CIDCO, Nanded runs the course in Arts & Science faculties from year 2000 with college goal to achieve academic excellence, promote research and strive for multidimensional personality development of student keeping pace with time. It holds a position in the outer rural area of Nanded.

The faculties in the department are highly qualified with strong academic background. To make students globally competent they are adequately exposed to various discussion forums. Every year it conducts various co-curricular activities like geography general knowledge exam, guest lectures, study tours, field visit, village surveys, Wall paper presentation competition, organized Ozone Day and Geography Day.

Mahatma Gandhi Mahavidyalaya, Ahmedpur:

Vichar Vikas Mandal has established the Mahatma Gandhi Mahavidyalaya, Dist. Latur in June 1969 to fulfill the needs of higher education of the students coming from rural area and to provide educational facilities suitable to achieve agricultural and industrial development. To keep pace with time, the college has introduced new course to meet the growing needs of the students for higher education in different fields.

For dissemination of knowledge among the students, the college implements various curricular, co-curricular & extracurricular activities. This also helps to student to achieve all round development & to raise the academic standard. The college has also implemented various scheme & provided research facilities. National Assessment and Accreditation council has given 'A' Grade to this college.

Geography is not just the memorization of place names; and it is not just map making. Both of these activities most certainly are important. Students often try to grasp at a definition using familiar stem geography. It is essential for students to understand geography's unique way of studying the world. Two major perspectives of geography are the spatial and ecological perspectives. These are complemented by the historical and economic perspectives. The department has running UG, PG and Research Centre. The Broadband Seismic observatory instrument funded by RUSA Maharashtra and School of Earth Science, S. R. T. M. University, Nanded.
