Report on One Day National Webinar

ON

“IPR and Patent Drafting”

13 August, 2020

Organized By
Indira Gandhi Sr. College Alumni Association

2020-21

Dr. Mirza
Co-ordinator IQAA
Shiv

Under the guidance of Hon. Principal of college and Members of Indira Gandhi (Sr.) College Alumni Association are taking efforts to discuss and bring out the national seminar on IPR and Patent Drafting.

The seminar intends to make a critical deliberation on deprivation and creating awareness about Intellectual Property Rights amongst faculty and students. India has become a member of the global patent regime but awareness and expertise on the subject of Intellectual property Rights (IPR) in the academic institutions is still inadequate. To apply for registration of IP, the university teachers and students are required to observe confidentiality in relation to such information to disseminate the information and the building of the research base.

Maintenance of a proper balance and fine tuning of academic excellence with academic integrity and protection and exploitation of intellectual property rights is becoming very important for the universities. In the current scenario the aggressive and targeted creation of intellectual property is the need of the hour. Protection of IPR and its commercialization propagates innovative culture, profitability, market leadership and helps creation of wealth for the individual and eventually the Nation.

IPR awareness is required which is significant for fruitful growth of the Intellectual property rights (IPRs). In view of above a one day National webinar on "IPR and Patent Drafting", has been conducted at Indira Gandhi (Sr) College on 13th August 2020.

Participation was very encouraging from various colleges and departments across India. There were 139 enthusiastic participants who participated in the day long deliberations on IPR and Patent Drafting. The programme included talks on importance of IPRs and their protection, Patenting procedures and patent informatics.

trademark and copyright protection, issues of do's and don'ts for a researcher in the context of publishing

and patenting. The resource person Dr. Bharat Surywanshi (Asst. Controller), RGNIIPM, Nagpur, delivered an illuminating Keynote address on "Intellectual property Rights in India", wherein the participants were made aware of importance of IP, types of IP, IP activities carried out by IPO, trends of patent filing in India and abroad and success stories on capitalizing of IP. This created a buzz among the audience and was very much appreciated by the participants.

Schedule of Seminar

Registration (10 Aug 2020 to 12 Aug 2020)

Teachers, students and researchers are the main beneficiaries of the seminar. Therefore we have observed the huge response at the time of registration. 139 registrations in this event.

Inaugural ceremony

The Inauguration of the National Webinar was made by the auspicious hands of Principal Dr. Mali R.P and the motto of organizing the seminar was elaborated by Dr. S.G. Tugaonkar.

Session I

Dr. Bharat Surywanshi (Asst. Controller), RGNIIPM, Nagpur, Delivered lecture on the topic 'IPRs and their protection'. He explained the relation between inventions and innovations, the gaps between lab research and innovative research and gave a glimpse of various models of academia-industry interactions and also made the participants aware

about patenting procedures and patent informatics to search for patent application related info on-line from very impressive IPO website.

Session II

In this Session Dr. Bharat Suryawanshi explained patenting and publishing², wherein various issues such as plagiarism, ethical issues, code of conduct for researchers, scanning of publications for potential IP prior to publication etc

The Seminar has its success by valuable efforts of Dr. S. G. Tugaonkar (Coordinator, Alumni Association), Amar Bias (President, Alumni Association), Swati Kothle (Secretary, Alumni Association), and Teaching and non-teaching staff of College.
