6.5.1: Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It review teaching learning process, structures & methodologies of operationas and learning outcomes at periodic intervals and records the incremental improvement in various activities:

Resoponse:

IQAC is established on **15th June, 2013** to monitor smooth functioning of all the curricular and extra-curricular activities run by the college. It plays significant role to improve the teaching-learning process. It conducts the meeting at regular intervals. It circulates its plans and perspectives to all the stakeholders. It collects the record from time to time and maintains the documents. IQAC also collects and analyses feedback from students, alumni and parents. The college reviews its teaching learning process, structures and methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvements in various activities. IQAC plays significant role in introducing and implementing new policies related to quality education. It conducts, at least, four meetings annually to discuss all the topics of college and student welfare. It proposes starting of new academic ventures and research related activities.

The measures have been taken by IQAC in quality enhancement to improve the quality education in the college.

1. Prepare Action Plan for academic year.
2. Discussion & suggestions on Principal's activities in the college regarding different committee works.
3. To flash different committee reports on website and college prospectus.
4. Criterion-wise distribution of NAAC work among the members.
5. To call for department-wise suggestions to IQAC for strengthening teaching.
6. Communication of Confidential Reports (CR) to faculties.
7. College gets feedback from students on curriculum, teaching, infrastructure facilities etc. The same is analysed and is communicated to the concerned and all efforts are made to implement the suggestions.
8. Discussion & suggestion requested from faculty regarding Research Projects (MRP), Extension (NSS & Sports) and infrastructure facility (construction of Library, Microbiology Lab, and ICT Hall, Classroom etc.)
9. Discussion on paperless administration.
10. To guide placement activities under CAS scheme.
11. Planning for accreditation from NAAC, Bangalore.

12. Applying for organizing National/ State/ University level seminars.
13. Discussion on execution of lectures and completion of syllabus.
14. To discuss record of attendance and DTR.
15. To organize meeting of IQAC with: (a) Faculty, (b) Non-teaching faculties (c) Educationist, (d) Alumni (e) Stakeholders separately.
16. To prepare Perspective Plan of college.

IQAC takes active participation in:

1. The IQAC monitors admission procedures and prepares the academic calendar.
2. The IQAC provides the information and suggestions to the Principal about status and requirements regarding infrastructure and its modernization in the college campus.
3. The IQAC works for maintaining discipline, monitoring feedback, monitoring students' attendance, conducting the unit tests / exams, framing faculty-wise time -table, ascertain DTR, Self-Appraisal and PBAS proforma, departmental profiles etc.
4. The IQAC updates itself regarding changes taking place in the teaching learning process by attending workshops and seminars, through library and internet sources, visiting the centers of excellence and compare them with the quality process in the college.
5. It organizes conferences, workshops, seminars, webinars and training programmes regarding staff development.
6. It monitors activities of different committees, observes and analyses the annual/semester wise progress through the results of the university examinations. The IQAC discusses and shares the feedback and suggests remedies to improve quality.

➢ **Following innovative activities run by college IQAC for the creation and transfer of Knowledge/technology during last five years:**

Sr.no	Innovative activity	Organizing Department/ Coordinator	Outcome
1	One day webinar on IPR and patent drafting	Alumni association of Indira Gandhi senior College	Participant got the knowledge about Intellectual property right and patent drafting
2	Study forum (Wallpapers on gender Sensitization, gender issue Current social issue, Social awareness etc.)	Department of English, Marathi, History, Hindi, Sociology	Sensitizing the student about different current social issues through wallpapers.
3	Certificate and add on course	Certificate Courses: **Department of** 1.History 2.Geography 3. Botany(Two Courses) 4. Zoology 5.Environmental Science 6.Chemistry 7.Physics	Students got the additional knowledge through different career-oriented Certificate and add courses run by different department of college

		Add on Courses: **Department of** 1.Marathi 2.Hindi 3.English 4.Economics 5.Geography 6.Political Science 7.Sociology	
4	Computer Literacy programme for students	Computer Literacy Committee	Computer Literacy programs gave opportunity to the students to expand their horizons to learn new skills which are not acquired in the traditional classroom teaching method.
5	MOU	1.Geography (Five MOU) 2.Botany 3.Environmental Sci.(Two MOU) 4.Hindi 5.Sports 6.Marathi 7.Principal (Two MOU)	Mutual exchange of knowledge of faculties which got the benefits of both the institution.
6	Online quiz competition, Seminar competition, Poster presentation competition etc.	Department of Zoology	Increased in creativity, stage courage and self confidence of the students.
