From Principal's Desk....

Indira Gnadhi (Sr.) College, CIDCO, New Nanded run by Shri Sharda Bhavan Education Society, Nanded is one of the recognized institutions of higher education in the jurisdiction of SRTM University with two and half decades of proud standing. It is located exactly at the centre of urban and rural area merging two cultures and fulfilling the needs of students coming from two differing backgrounds. The girl students with a larger number of enrolment; consider it as their second home in terms of security and comfort they experience.

Established in the year 2000, running Arts, and Science streams it is an affiliated, grant-in-aid, co-education UG College. It has post-graduation courses in the subjects such as Geography, Zoology and Marathi. The PG department of Geography has been the department of meritorious students as there has been a good number of students securing merit in University examination. The other departments in the college equally keep the spirit of quality enhancement in motion. Organizing various events like seminars/ conferences /Webinars /Workshops and running certain student-centric activities has become an imperative feature of the college.

With the vision न हि ज्ञानेन सदृशं पवित्रमिह विद्यते (There is nothing holy in the world like knowledge- Bhagwatgeeta: 4:38) the college has been enlightening the path of its students coming from lower socio-economic sections. It has also been striving to illuminate their lives with the light of value-based knowledge. The college, has already completed two rounds of NAAC Accreditation with B+ grade. Along with ISO, Energy and Green certification.

Apart from receiving Best Examination Centre Award; the college was awarded with The Best College Award from the parent university. On the other hand, the college has been striving to keep its bond with society through NSS activities and NAMP project. The sport department of our college has been adding feathers to our glory in terms of organizing university and state level competitions.

It is a matter of fact that with changing time there are numerous challenges before a college like us that runs conventional courses. In the field of higher education, a huge demand for professional courses is found. Still, we are doing ourself with the time. We are optimistic that our students would come out with flying colures and would contribute in making individuval and society better.

Thank you

Introduction :

Shri Sharda Bhavan Education Society was established in 1952 with an educational vision to dispel darkness of illiteracy from lives of the poor. Honourable Founder President Late Dr. Shankarraoji Chavan, former Home Minister, Government of India, established the first school in 1952 and then onwards there was no looking back for the welfare of society. Society has kept its educational graph rising for the decades. It expanded into number of schools and colleges. The society always looked forward for upgrading the educational facilities so as to keep itself prompt with the changes in rural and urban areas. This contribution was recognized through '**Dalit Mitra Puraskar**' and '**Rajya Puraskar**' to the society from the State Govt. of Maharashtra.

Shri Sharda Bhavan Education Society's Indira Gandhi (Sr.) College, CIDCO, New Nanded runs the courses in Arts & Science faculties from year 2000 with goal "**To achieve academic excellence, promote research and strive for multidimensional personality development of student keeping pace with time**". It holds a major position in the outer/rural area of Nanded.

The college is recognized for its discipline. Also as a budding institution it aims at versatile development of students in academic, socio-cultural fields so as to make them responsible individuals stepping ahead for a better society/ world.

College has earned an inevitable reputation within few years of establishment. The students have enough range of subjects to choose from different programme options. The college has its share in extra curricular and co-curricular activities. Sports persons also have the share in winning the events. Players have won National and State level events. Under co-curricular activities conducted mainly through National Service Scheme (NSS), gives the students an insight into rural life and endeavors to develop a sense of affinity with the rural background.

Recently college got ISO 9001:2015 certification. The NAAC, Bangalore assessed the progress of college. The Committee found satisfaction with the progress and development of college in all dimensions and accredited with four point scale at "B⁺⁺" Grade with CGPA of 2.54 (2nd Cycle).

On the whole, the college campus has a healthy environment, which is conducive to academics, extra curricular and co-curricular activities to help the student's full-fledged personality.
