About Society:

Shri Sharda Bhawan Education Society was established in 1952 with an educational vision to dispel darkness of illiteracy from lives of the poor. Honourable Founder President Late Dr Shankarraoji Chavan, Former Home Minister, Government of India, established first school in 1952 & then onwards there was no looking back for the society. Society has kept its educational graph rising for the decades. It expanded into many schools & colleges. The society always looked forward for upgrading the educational facilities so as to keep itself prompt with the changes in rural & urban areas. This contribution was recognized as awards “Dalit Mitra Puraskar” and “Rajya Puraskar” to the society from the state Govt. of Maharashtra. Higher education facility was introduced in 1963 in the areas of Arts, Commerce and Basic Sciences followed by legal, technical & teacher’s education. Now a days this society is one of the reputed educational societies in the Marathwada region of Maharashtra state. Society has given the significant contribution in research & educational development

About College:

Shri Sharda Bhawan Education Society’s Indira Gandhi (Sr.) College, CIDCO, Nanded runs the courses in arts & science faculties from year 2000. The goal of College goal is to achieve academic excellence, promote research and strive for multidimensional personality development of students in keeping pace with time. It holds a unique position in the outer/rural area of Nanded. The college is recognized for its discipline. It aims at versatile development of student in academic, socio-cultural fields so as to make them responsible individuals to make a better society “Most of the students studying in our college come from rural areas, and various activities are organized to enhance their quality and talent. These very students are our pride.”

About the Workshop:

Syllabus design and implementation at the undergraduate levels as per NEP 2020 guidelines is a crucial aspect of higher education. The State of Maharashtra revised the UG Second year as per NEP 2020 norms from 2024-25 onwards. The workshop attempts to explore the key considerations in syllabus design of B.A. / B. Sc. Second Year UG (Hindi, Marathi and Environmental Science) and its subsequent implementation in undergraduate programs in Hindi, Marathi and Environmental Science, across Swami Ramanand Teerth Marathwada University jurisdiction. This workshop focuses to discuss languages as Major and Minor Courses at UG level; the Second Language and Optional language courses; languages offered as Generic Elective (GE); and languages offered as Skill Enhancement Course (SEC) as per NEP 2020 norms. An in- depth discussion on the topics, workload of the teachers according to NEP 2020, and student participation in the courses would enable a proper orientation to both teachers and students for an appropriate implementation of the newly framed curriculum on the campuses.
