## Report of Computer Literacy Program & Techno Club Celebration on 13<sup>th</sup> Sep 2025

### PREFACE:

It is inspiration and motivation of the **Respected Principal Dr. D.B.Ravande** sir that the Department of Computer Science could able to organize **Computer Literacy Program** along with the **celebration of the Third Anniversary of Techno Club** on the same day.

The Computer Literacy Program was conducted with the objective of imparting basic knowledge of computers, internet usage, and digital applications to the participants, thereby helping them develop confidence in handling technology for their academic and personal growth.

On this occasion, the department also celebrated the successful completion of three years of Techno Club, which has been continuously engaged in nurturing innovation, creativity, and technical skills among students. The club has organized several activities such as coding competitions, quizzes, poster making, presentations, and discussions on recent trends in technology.

Both these events, conducted on the same day, reflect the department's commitment towards creating digitally empowered citizens while also providing a vibrant platform for students to explore and showcase their talents. The initiative highlights our vision of building technologically skilled and socially responsible individuals for a knowledge-driven society.

## **Report of Computer Literacy Program & Techno Club Celebration on 13<sup>th</sup> Sep 2025**

### **Objectives of Programs:**

1. To spread computer awareness and promote digital literacy among participants.
2. To impart basic knowledge of computers, internet usage, and digital applications for daily use.
3. To develop confidence in handling technology for educational and professional purposes.
4. To celebrate the successful third year of Techno Club as a platform for innovation and creativity.
5. To encourage students to participate in technical activities such as coding, quizzes, poster making, and presentations.
6. To create awareness about recent trends in technology and motivate students towards continuous learning.
7. To nurture teamwork, problem-solving ability, and leadership qualities among students.

### The key note address:

In the first session of program and in the beginning of the speech, the invited resource person Dr.Solunke explained the, importance of Artificial Intelligence by giving various examples.

He delivered an insightful talk on Artificial Intelligence, emphasizing that AI is not something to fear but a technology to be used wisely. He highlighted the importance of adopting AI with proper awareness and taking necessary precautions to ensure its benefits are utilized for positive growth. The session motivated participants to view AI as a supportive tool rather than a threat.

### Question & Answer Session of session I:

Mr. Suryawanshi Shashikant, Miss.Ragini Gandhewar, Zeba Baig, Kamble Rahul raised various questions and doubts related Artificial Intelligence to which were very patiently answered by Dr.Solunke.

### Hands on Session-session II:

The second session was hands on session which was conducted in department of computer science. In this session Dr. Quazi F. A fully focused on practical and demo mode. As it was on basic literacy on MS-Office and web Designing.

She elaborated a live demonstration and hands-on session on **MS-Office and Web Designing**. The session provided participants with practical knowledge of essential office tools like Word, Excel, and PowerPoint. Students also learned the basics of creating and designing web pages in a simple and interactive manner. The session proved highly beneficial in enhancing the technical and creative skills of the participants.

As participants were working on given assignments hence few bugs and queries raised from participant's side were very patiently answered and fixed with the help of Dr.Quazi F.A.

## Report of Computer Literacy Program & Techno Club Celebration on 13<sup>th</sup> Sep 2025

### CONCLUSION:

Under the Guidance and Supervision of Honorable Principal **Dr.Durgesh Ravande Sir** made it possible to organize, implement and successful execution of **Computer Literacy Program** and **Celebration of the Third Anniversary of Techno Club** by the Department of Computer Science.

In conclusion, the combined celebration of the **Computer Literacy Program** and the **Third Anniversary of Techno Club** turned out to be a meaningful and memorable event. The various sessions conducted during the program — including awareness about digital literacy, a hands-on session on MS-Office and Web Designing, and an enlightening talk on Artificial Intelligence — enriched the participants with valuable knowledge and practical skills. The enthusiasm of the students, along with their active participation, reflected the true spirit of learning and innovation.

The department extends heartfelt thanks to the respected Principal, dignitaries, faculty members, resource person, and students for their encouragement and cooperation. With such collective efforts, the event concluded on a positive and inspiring note, motivating everyone to move forward with greater confidence and responsibility in the field of technology.

Thanks to Participants

**Thanks to Respected Principal Sir.**

## कृत्रिम बुद्धिमत्तेचा अंगिकार नवोन्मेषासाठी करावा-प्राचार्य डॉ. दुर्गेश रवंदे

नांदेड/प्रतिनिधी

कृत्रिम बुद्धिमत्ता काळाची गरज बनली आहे. त्यातील दोष, मर्यादा किंवा नुकसान यावर वारंवार चर्चा करण्यापेक्षा त्यातील नवोन्मेषता, उपयुक्तता व आपल्या ज्ञानार्जनासाठी मार्गदर्शक म्हणून अधिक प्रमाणात अंगिकार कसा करता येईल याचा विद्यार्थ्यांनी अभ्यास करावा, असे प्रतिपादन प्राचार्य डॉ. दुर्गेश रवंदे यांनी केले.

श्री शारदा भवन एज्युकेशन सोसायटी संचालित इंदिरा गांधी वरिष्ठ महाविद्यालय सिडको नांदेड येथे संगणकशास्त्र विभागाच्या वतीने आयोजित "संगणक साक्षरता" कार्यक्रमात ते अध्यक्ष म्हणून बोलत होते. या कार्यक्रमाचा उद्देश विविध शैक्षणिक पार्श्वभूमीच्या विद्या

थ्यांना संगणकाचे मूलभूत ज्ञान देण्यासाठी, माहिती तंत्रज्ञान व कृत्रिम बुद्धिमत्ता (AI) क्षेत्रातील अलीकडील प्रवाह यांची माहिती देण्यासाठी विभागाच्या वतीने टेक्नो क्लबच्या यशस्वी कार्याचा उत्सव साजरा करण्यात आला होता.

हा क्लब मागील तीन वर्षांपासून सातत्याने यशस्वीपणे कार्यरत असून विद्यार्थ्यांना कोडिंग, प्रेझेंटेशन व संगणक शास्त्रातील नवनवीन तांत्रिक प्रवाह शोधण्याचे व्यासपीठ उपलब्ध करून देत

आहे. कार्यक्रमाच्या अध्यक्षस्थानी महाविद्यालयाचे प्राचार्य डॉ. दुर्गेश रवंदे होते. संसाधन व्यक्ती डॉ. सोळुंके केदार व डॉ. एल. व्ही. लोखंडे यांनी विद्यार्थ्यांना कृत्रिम बुद्धिमत्तेतील नव्या प्रवाहांची माहिती दिली व शिक्षण क्षेत्रात AI कसा उपयुक्त ठरू शकतो हे स्पष्ट केले. दुसऱ्या सत्रात कार्यक्रम संयोजक डॉ. काझी एफ. ए., विभागप्रमुख, संगणक शास्त्र विभाग यांनी विद्यार्थ्यांना M S Office आणि Web Designing

वर hands-on प्रशिक्षण दिले.

संचालनाची जबाबदारी डॉ. अपस्तंभ ए. आर. यांनी पार पाडली. टेक्नो क्लबच्या विद्यार्थ्यांपैकी अध्यक्ष कु. ऐश्वर्या नांदेडकर, उपाध्यक्ष कु. शारदा चिलपिंपेरे, सचिव कु. भाग्यश्री घाटोळ व निशा धुतराज तसेच सक्रिय सदस्य प्रांजली सोलंकर आणि वैष्णवी पल्लेवाड यांनी क्लबच्या उपक्रमांचा आढावा सादर केला. हा उपक्रम विशेषतः संगणक पार्श्वभूमी नसलेल्या विद्यार्थ्यांसाठी अत्यंत उपयुक्त ठरला असून सर्वांना माहिती तंत्रज्ञान व कृत्रिम बुद्धिमत्ता क्षेत्रातील नवनवीन शक्यता शोधण्यासाठी प्रेरित झाला अशी प्रतिक्रिया याप्रसंगी विद्यार्थ्यांनी दिली.
